

Community Guidelines

What will help us to collectively create a space for where we feel connected, inspired, empowered, engaged, excited, and informed?

- Be present.
- Welcome people with different worldviews.
- Have respect for one another.
- Come with a sense of understanding and compassion.
- Be open-minded and accepting of each other.
- Recognize we all have strengths, skills, and gifts.
- Give space to other people.
- Step up (if not speaking up)
- Step Back (if speaking too long and too much).
- Be open to communicating and learning in different ways - art making, painting, music, zines, visuals, etc.
- Acknowledge our own privileges and histories of colonization.
- Be conscious of the agenda / time.
- Know it is okay to be uncomfortable, that is part of learning.
- Put phones on silent or vibrate.
